

Much More Than Books

Did you know that the Library has thousands of historic pictures available? Can you name the decade this picture was taken?

When people think of the library, they typically think of books. But the library is so much more than books. Anyone can benefit from owning a library card.

Libraries can be your link to the digital age. While most households have computers and the Internet, there are still some areas within our area—the Benton Carrol Salem School District—without high speed internet access. Also, the Internet may not be in everyone's budget. Occasionally when your Internet, computer or printer is on the fritz, the library has what you need.

One new feature the Library has is Hot Spot Lending. With this simple device, you can have internet at home or on the road. It works on the same radio waves that cell phones use. The hot spots use Verizon 4G wireless. To learn more, inquire within.

Programs:

The Library has programs for all ages of life. One should be right for you.

- One Size Fits All—designed for infants and preschoolers, children and their adults will listen to stories and participate in simple activities on a different theme each week. Storytime meets year round, Wednesdays @ 11:30
- Tween and Teen Fridays @ 3:15. Fun activities for tweens and teens, including STEAM, Legos, LittleBits, and No Bake cooking. Kids of all ages are encouraged to attend. A responsible adult or older sibling should accompany kids under 8 years old.
- Adult. The Library has activities for adults, including Game Day (Scrabble, Euchre, Pinochle), Book Discussion, Essential Oils, and Adult Coloring. We also offer classes and discussions on various subjects. The Local History Room and Museum is open with local historians on Thursdays 9:30—2:00 and per request.

For more information, check the Library Facebook page, Twitter account (OHplibrary), or website .

A Note From the Director

Update on Library Funding

We are very appreciative here at the Oak Harbor Public Library for the support we receive from our patrons through state funding, and the property tax levy. We would not be able to serve you at the current level without your support.

I want to share information with you about the present status of funding for Ohio's public libraries. At the state level, we are fortunate to be funded through the Public Library Fund (PLF) which receives a percentage of the state's tax revenues from the state's General Revenue Fund (GRF). Revenue sources for the GRF include the state personal income tax, sales and use tax, business taxes, etc.

The PLF is currently set at 1.7% of the GRF, but it will be automatically reduced to 1.66% on July 1, 2017. This will cut state funding for Ohio's public libraries.

The Ohio Library Council (OLC) is working with Ohio's public libraries to educate members of the Ohio General Assembly and those that will be elected in November on the status of our state funding. We know that Ohioans value their public libraries and that public libraries create opportunities and transform lives. We will be working with the OLC during the next several months to protect state funding for Ohio's public libraries. I will keep you posted with updates as we work through this process.

Thank you again for your support; it is truly a joy to serve the people of the Benton-Carroll-Salem School District area!

BECAUSE EVERY \$1 SPENT BY OHIO'S PUBLIC LIBRARIES RETURNS \$5 TO OHIOANS.
